

**Remarks**

Claims 1-9 are pending in this application. Reconsideration and allowance of the application is respectfully requested.

Applicant notes with appreciation the allowance of Claims 4 and 6 and the indication of allowability of Claims 2, 3, and 7 if rewritten in independent form including all the limitations of the base claim and any intervening claim. Applicant has amended Claim 1 to contain a limitation of Claim 2. Applicant respectfully believes this amendment renders the § 102(b) rejection over Sowalti moot. Applicant respectfully requests allowance of all claims.

In view of the remarks above, Applicant believes that each of the rejections has been overcome and the application is in condition for allowance. Should there be any remaining issues that could be readily addressed over the telephone, the Examiner is asked to contact the agent overseeing the application file, Peter Zawilski, of NXP Corporation at (408) 474-9063 (or the undersigned).
